Application for a Lot Split or Minor Replat

Directions for Submittal

Please complete the requested information and submit all items to the St. Lucie County Planning and Development Services Dept., Planning Division. The proper non-refundable application fee must accompany all applications.

Review Fees

Lot Split	Minor Replat
\$250.00	\$250.00

Type of Application (choose one)

Minor Replat (A replat is for the purpose of lot line adjustment without an increase in the number of lots or units otherwise allowed.)

Lot Split (A division of land into two contiguous lots or parcels without involving the establishment of a new street.)

Any division of property placed into the lands records of St. Lucie County after August 1, 1990, without having obtained a lot split approval, may not be eligible for the receipt of any building permits approvals.

The only exception to this review process would be for those divisions done in conjunction with the filing of a site plan as further identified in Section 11.02.00 of the St. Lucie Land Development Code.

For additional details on the information necessary for a Lot Split Application submission, please refer to Section 11.03.04, of the St. Lucie County Land Development Code.

For assistance in submitting the application for a Lot Split, please contact the St. Lucie County Planning and Development Services Department, Building and Code Regulations Division.

The initial submission shall include the following:

- 1) One (1) copy of the completed lot split or minor replat application.
- 2) One (1) copy of the Boundary Survey, indicating the following:
 - a) Complete boundary identification, with legal description of the parent tract of land from which the division is being created.
 - b) Complete boundary identification, with legal description of each area proposed for division.
 - c) Exact location of any structures and identification of all existing or proposed easements and right-of-way affecting the parent property and the proposed property to be created.
- 3) The survey and descriptions shall be prepared and sealed by a professional land surveyor, registered in the State of Florida.
- 4) Required processing fee.
